PROFESSIONAL SUMMARY

Full Stack Developer with 4+ years of experience, specialized in Laravel (PHP) and modern frontend technologies such as React and Vue.js. Strong DevOps background: Linux administration, Docker, CI/CD and automation. Seeking opportunities in Italy (preferably in the Abruzzo / Lanciano region) to contribute to high-quality web projects, on-site or hybrid. Currently learning Italian (A1 level) with a strong commitment to reach a professional level in the short term.

WORK EXPERIENCE

Full Stack Developer (Freelancer) · Self-employed

March 2024 – Present | Remote

- ▶ Full-stack development with React, Vue.js, Laravel, MySQL and JavaScript for scalable web applications.
- ▶ Responsible for the architecture, scalability and code quality of the projects.
- ▶ End-to-end technical planning and execution of the digital direction for Preon Mode.
- ▶ Integration of client-specific solutions, APIs and third-party tools (JetStream, Postman).
- ▶ UI/UX design and deployment on modern hosting platforms.
- ▶ Performance optimization and application of best practices in modern web development.

DevOps Developer · Edifecs

October 2021 – January 2025 | Chişinău, Moldova

- ▶ Unix Systems Administration: Linux, Rocky Linux, Ubuntu.
- ▶ Process automation using YAML and implementation of CI/CD solutions.
- ▶ Containerization: creation and management of Docker containers.
- ▶ Virtual machine configuration via VMware vRealize Automation 8 (vRA8).
- ▶ Shell/Bash scripting for various operating systems.
- ▶ Source code versioning with Git and SVN.
- ▶ Application security: use of SAST, DAST and Dependency Scanner tools.

Web Content Manager · Enter

August 2020 – October 2021 | Chişinău, Moldova

- ▶ Testing website updates and bug reporting through Bitrix24.
- ▶ Inserting new products (PNG images, descriptions, videos) and content management.
- ▶ Use of Adobe Photoshop for image processing and integration with the 1C management software.

SELECTED PROJECTS

Selection of production web projects — full-stack development (Laravel + modern frontend), UI/UX design and deployment. All sites are currently online and in use.

Chișinăuedu (DGETS) · chisinauedu.dgets.md · Full-stack developer & UI designer

Official portal of the General Directorate of Education, Youth and Sports of the Chișinău Municipality. Complex multi-section CMS: news management, public competitions, job openings, public procurement, subordinate institutions, administrative transparency. Multilingual, over 150,000 end users (students and staff).

Vreau.md · vreau.md · Full-stack developer & UI designer

E-commerce platform with a dual-flow donation system: the user pays and simultaneously donates to schools. Online payment integration, multi-order management, multilingual (RO/RU), request module for school institutions.

Eurocons · eurocons.md · Full-stack developer & UI designer

Corporate website for a consulting firm. Laravel backend development and responsive frontend, content management via custom CMS.

Primaudit · primaudit.md · Full-stack developer & UI designer

Showcase website for an accounting audit firm. Full design and development, focused on visual reliability and SEO optimization.

Termoizolații.md · termoizolatii.md · Full-stack developer & UI designer

B2C website for thermal insulation services. Product catalog, quote calculator and custom request module.

Prisident · prisident.md · Full-stack developer & UI designer

Platform for a dental clinic: service presentation, online appointment booking and patient management. Full backend + frontend development, UI/UX design.

Dentwolf · dentwolf.com · Full-stack developer (UI support)

Website for a PDR (Paintless Dent Repair) car body repair service — dent removal without repainting. Full backend + frontend development and support for design adjustments.

ADP-DIA · adp-dia.com/ro · Full-stack developer

Website for a private investigation agency: presentation of investigation services, confidential contact form and multilingual content management. Full backend + frontend development.

Useful Drawing · Founder · 2019 – 2020

Personal social project for children from at-risk families: after-school art workshops to develop creative skills and social relationships.

VOLUNTEER EXPERIENCE

Scout Leader — National Scout Association of Moldova (2012 – present): leadership and organization of activities for children and teenagers. **Volunteer** — Republican Volunteer Center (2017–2020): support for children with disabilities and at-risk families; participation in the Be.Do.Have program of the Ministry of Education and Culture.

SOFT SKILLS

Teamwork · Work ethic · Problem solving · Loyalty · Communication · Active listening · Adaptability · Fast learning
